ANNUAL REPORT

PASTOR KEITH BROWN

Transforming our Communities and World with Hope

I don't know about you, but 2024 was a rollercoaster of emotions for me. There was so much we walked through in our community and society as a whole. This past year, together, we persevered through national economic uncertainty and divided times politically while at the same time, we each journeyed through our own individual struggles and disappointments. Throughout this year, I have had many joyful days and many anxious days. However, the one thing that has remained constant through it all has been **God's faithfulness** to me and our church family. Therefore, I reflect on the past 12 months regarding all God has done in and through our church family, and I feel blessed, grateful, and hopeful.

The pages of this 2024 Annual Report are a testimony to God's faithfulness and goodness. Each page in this report demonstrates how God used our prayers, serving, and giving to fulfill the vision he gave us in 2024 to **TRANSFORM OUR COMMUNITIES AND WORLD WITH HOPE.**

Thank you for joining me and our staff on this journey!
